

# REPAIRER OF THE BREACH

WELLNESS CENTER

NONPROFIT DIVISION:  
HEALING • RESTORATION • LEGACY

## WHO WE ARE

Repairer of the Breach Wellness Center is a faith-rooted, trauma-informed healing center in St. Louis restoring lives through holistic care. We serve individuals overcoming trauma, incarceration, addiction, poverty, and generational brokenness — so families can step into healing, stability, and legacy.

### MISSION STATEMENT

To restore generations through holistic healing, emotional recovery, addiction support, and faith-based wellness. We rebuild lives from the inside out so families can walk in purpose, stability, and legacy.

## WHAT SPONSORS ARE FUNDING

YOUR SPONSORSHIP DIRECTLY SUPPORTS:

- Former addicts rebuilding their lives and maintaining sobriety
- Repeat offenders breaking the incarceration cycle for good
- Trauma therapy that addresses why addiction formed in the first place
- Re-entry and recovery programs that build identity, stability & purpose
- Mothers, fathers, and families trying to rebuild after brokenness
- Mental, emotional, physical, and spiritual restoration services
- Wellness scholarships for those who cannot afford care

WE DON'T JUST TREAT ADDICTION, WE HEAL THE ROOT OF IT.  
WE DON'T JUST RELEASE INMATES, WE RESTORE IDENTITY AND PURPOSE.

## WHY THIS MATTERS

ADDICTION & REPEATED INCARCERATION ARE NOT THE PROBLEM, THEY'RE THE SYMPTOM.

### MOST SYSTEMS FOCUS ON:

- punishment over healing
- detoxing over transformation
- temporary change instead of lasting freedom

### WE FOCUS ON:

- the wound behind the addiction
- the trauma that made the drug necessary
- identity, confidence & purpose
- rebuilding family, stability & vision

THIS IS WHY PEOPLE COME TO US, NOT TO SURVIVE, BUT TO RECOVER AND TRANSFORM.
